MOLDEX® MOLD KILLER

Kills Mold & Mildew. Inhibits the Growth of Mold & Mildew. Fungicide, Mildewstat, Virucide, Deodorizer and Disinfectant*

.MOLD KILLER. CLEANS, DISINFECTS, AND DEODORIZES IN ONE EASY STEP

Mold is a fungus that grows in the presence of excessive moisture. Mold can develop both indoors and outdoors, but when it develops indoors, it can cause severe cosmetic damage and respiratory problems in those who inhale spores.

To completely clean mold from the surface, you must use an EPA registered product to kill the remaining microscopic mold spores. Mold produces tiny spores (or seeds) that continually waft indoors and out. When mold spores land on wet surfaces, it's their time to reproduce – and reproduce – and reproduce until your home is overrun by mold and mildew.

Product Details:

Moldex® Mold Killer is an EPA registered (3-in-1) cleaner designed to **KILL, CLEAN,** and **INHIBIT** the growth of mold & mildew. It quickly removes dirt, grime, mold, mildew, food residue, and other organic matter commonly found in homes, basements, attics, walls, kitchens and bathrooms. It destroys and neutralizes mold, mildew and their odors at their source. It is not a masking agent or general purpose stain remover. It's bleach-free, phosphate free, non-abrasive disinfectant mold killer that can be used on most washable surfaces.

When used as directed, Moldex® Mold Killer is also highly effective against a wide variety of pathogenic microorganisms including bacteria, antibiotic resistant bacteria, viruses, fungi, mold and mildew. It is a hospital grade disinfectant offering a broad spectrum of disinfectant activity that kills household germs. It will clean and deodorize surfaces in rest room and toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause malodors.

DEEP STAIN REMOVER

*Bleach-Free
Mold & Mildew Stain Remover*

.DEEP STAIN REMOVER. CLEANS MOLD STAINS

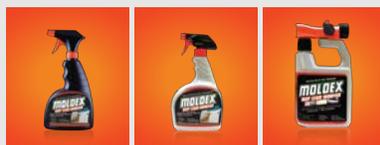

Mold & mildew can ruin a beautiful finish and leave behind ugly stains that go deep below the surface. Ordinary detergent cleaners won't get rid of these difficult to remove stain and harmful chemicals and "bleach" can damage sensitive surfaces.

Product Details:

Moldex® Deep Stain Remover is a concentrated multi-surface cleaner that's packed with Oxygen-Power for the removal of deeply seated mold and mildew stains. This product is perfect for mold remediation, flood disaster, housekeeping and property maintenance applications. When applied properly, it leaves behind a residual stain fighting technology on the surface that lasts for months. It is a safe, powerful, bleach-free alternative perfect for almost any surface.

Applications: Awnings, Shower Curtains, Walls, Tile, Grout, Plastic, Previously painted surfaces, Basements, Window frames, Sealed Wood, Tarps, Tents, Shingles, Roofs, Siding, Asphalt, Concrete, Foundations, Brick, Masonry, Walkways and Retaining Walls.

Available Sizes:

22oz Trigger Spray (Ready to Use)

32oz Trigger Spray (Ready to Use)

32oz Hose End Spray (Covers 5,000 SQ. FT.)

PROTECTANT

*A Clear Water-Based Film.
Resists Mold & Mildew Stains.*

.BLOCKER. WATER-PROOF BARRIER

The key to mold control is moisture control. It is important to keep water damaged areas dry to prevent continuous mold growth. Moldex® Sealant creates a film that resists moisture and provides protection on almost any surface.

Product Details:

Moldex® Protectant is a simple to use, spray applied invisible film that protects against the harmful effects of moisture damage. Apply this product immediately after cleaning to establish a barrier between the surface and the bacteria, mold & mildew. When applied properly, this water-based product provides long-lasting resistance to stains and discoloration. Perfect for both indoor and outdoor applications. It dries clear, fast, and is easy to apply.

Applications: Awnings, Shower Curtains, Walls, Tile, Grout, Plastic, Previously painted surfaces, Basements, Window frames, Sealed Wood, Tarps, Tents, Shingles, Roofs, Siding, Asphalt, Concrete, Foundations, Brick, Masonry, Walkways and Retaining Walls.

PATIO FURNITURE CLEANER

Removes Mold, Mildew, Dirt and More!

.CLEANER / BARRIER. ALL OUTDOOR SURFACES

To start the BBQ season, you'll want to spruce up your outdoor table and chairs. Mold, mildew, algae and weather can damage expensive outdoor furniture. Most commercial cleaners are too abrasive. But you won't have to worry about scratching or dulling the surface if you clean using Moldex® Patio Furniture Cleaner.

Product Details:

Moldex® Patio Furniture Cleaner is a premium cleaner specifically formulated to clean all outdoor patio furniture surfaces, fabrics, and upholstery while rinsing residue free. It is safe on all water-safe materials, is non-toxic, non-hazardous, contains no bleach and has no odor.

This unique **two-in-one** formula cleans patio furniture and provides a residual stain fighting technology on the surface that lasts for months. Whitens stains with gentle foaming action, without abrasives, and will not harm your plants or landscaping.

Applications: Plastic, Vinyl, Resin, Wicker, Metal, Wood, Canvas, Rattan, Aluminium, Stone, Glass, Fiberglass, Acrylic, PVC, Chrome, Previously painted surfaces, Umbrellas, Awnings, Seat Cushions, Pillows, Slings, Batting, Fabrics and Accessories.

Available Sizes:

22oz Trigger Spray (Ready to Use)

INSTANT STAIN REMOVER

Removes Mold, Mildew, Algae Stains

.BLEACH. CLEANER. NO SCRUBBING. INSTANT RESULTS.

Chlorine Bleach is a powerful cleaning agent that cleans and removes a variety of stains from many different surfaces. It keeps the elbow grease to a minimum as it delivers serious cleaning and "whitening" power.

Product Details:

Moldex® Instant Mold & Mildew Stain Remover is an aggressive cleaner that erases stains before your eyes. It delivers industrial strength cleaning action without scrubbing. Formulated with new Advanced Bleach Gel which is designed penetrate deep and eliminate mold & mildew stains. Our Active Cling™ Technology allows powerful cleaning agents to remain (or hold) onto vertical surfaces longer to achieve the highest effective contact time. Just spray on and watch stains completely disappear.

Applications: Glazed ceramic tile, grout, tubs, fiberglass, shower doors, vinyl shower curtains, sinks, toilets, walls, doors, counters, glass, plastic, no-wax floors, windowsills, vinyl siding, wood, concrete, rubber, around the pool, and almost any hard non-porous surface.

Available Sizes:

22oz Trigger Spray (Ready to Use)

32oz Trigger Spray (Ready to Use)

Avoid contact with aluminum, clothes, carpet or paper. Do not use on fabrics.

INSTANT HOUSE WASH

Removes Mold, Mildew, Algae Stains

**.BLEACH.
.CLEANER.**

**NO LADDER. NO PROBLEM.
SPRAY ON. WASH OFF.**

Siding can accumulate a host of dirt, grime, pollen, bird droppings, spider webs, rust, and insecticide stains. In shady, moist areas, mold and mildew can grow too. You need an easy-to-use product that is simple to apply, yet powerful enough to get the job done.

Product Details:

Moldex® Instant House Wash removes tough stains from, mildew, mold, algae, fungus and moss and restores the original look to wood, vinyl, brick and stone siding. Formulated with a new Advanced Bleach Gel formula, it removes unwanted stains deep below the surface. Our Active Cling™ Technology allows powerful cleaning agents to remain (or hold) onto the vertical surface longer to achieve the highest effective contact time.

Key Features & Benefits:

- Removes mold, mildew and algae stains instantly.
- Contains new Active Cling™ Technology.
- No scrubbing. Instant results.
- Cleans wood, vinyl and brick siding.
- Phosphate free.
- Up to 4,000 sq .ft.
- Contains **NEW** Advanced Bleach Gel.

Available Sizes:

(Covers 4,000 SQ. FT.)

INSTANT DECK & FENCE WASH

Cleans & Brightens Decks & Fences

**.BLEACH.
.CLEANER.**

**PENETRATES DEEP.
BRIGHTENS & PRESERVES.**

Regular bleach will break down wood, make nails rust, kill plants, and take years off of the life of a deck. Our formula does not harm the surface, but it was designed to instantly remove dirt, mold, mildew and stains without breaking down wood or killing plants.

Product Details:

Cleans & Brightens Decks & Fences and makes your weathered old deck or fence look like new. Moldex® Instant Deck Wash removes tough stains from, mildew, mold, algae, fungus and moss. Formulated with Bleach Gel for removing deep mold, mildew, moss and algae stains. Ammonia-Free detergents for dirt, grime, food, and other organic stains. This product is the ultimate outdoor cleaner for all wood, or composite surfaces outside the house. Contains Active Cling™ Technology.

Key Features & Benefits:

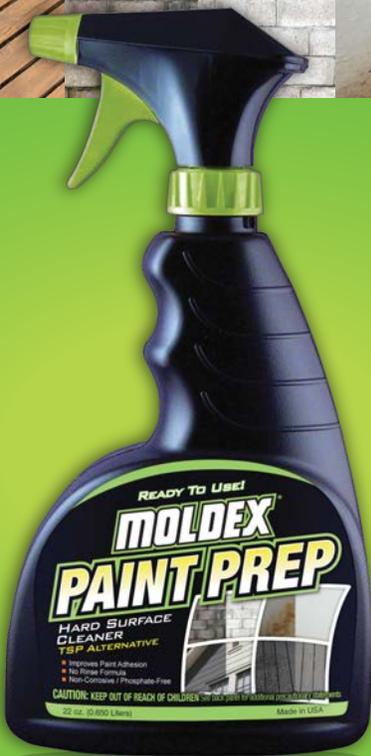

- Removes mold, mildew, algae, food, grease, bird droppings and more!
- Contains new Active Cling™ Technology.
- No scrubbing. Instant results.
- Great on wood or composite materials.
- Phosphate free.
- Up to 800 sq .ft.

PAINT PREP

*Hard Surface Cleaner
TSP Alternative*

.SURFACE PREPARATION. CLEANS & DEGLOSSES

When preparing a wall or trim for repainting, producing a stable and clean surface is important. Since you will be repainting, removing mold, mildew, dirt and grime with a heavy-duty cleaner is appropriate. However, it shouldn't be dangerous.

Product Details:

Moldex® Paint Prep cleans and deglosses surfaces to improve paint adhesion. Moldex® Paint Prep is a "Ready to Use Cleaner / TSP Alternative" that is water based, environmentally friendly, and out-performs traditional hazardous solvents when used to clean and prepare surfaces for paint.

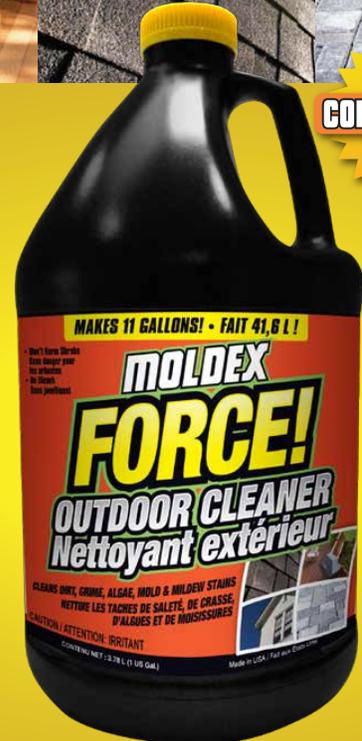

Formulated specifically for cleaning hard-to-remove mold and mildew stains, Moldex® Paint Prep makes any job easier. Just spray onto an area to be cleaned prior to painting, wipe and let dry. No need to rinse with water. More importantly, this bleach-free formula is non-toxic, biodegradable, and safer for use around children and pets. It also removes dirt, grease, grime, smoke, mildew stains, food stains, heel marks, crayon, old wallpaper paste, and wax from painted or unpainted wood, metal, or vinyl wallpaper.

FORCE!

*Multi-Purpose Outdoor Cleaner
& Power Washer Concentrate*

.CLEANER. PENETRATES & DISSOLVES STAINS

This powerful formula was developed to be used with pressure washing systems or to be used manually as a powerful multi-purpose outdoor cleaner. It is safe for pressure washing equipment and is ideal for all types of house exteriors.

Product Details:

Moldex® Force! Multi-Purpose Outdoor Cleaner is a commercial strength multi-surface cleaner designed to clean dirt, grime and remove mold, mildew, algae stains from almost any surface. It was specifically formulated for vinyl & aluminum siding as well as wood, brick and concrete surfaces. It is useful on an array of surfaces and contains no bleach, ammonia or poisonous acids so it can be used safely around plants and shrubs.

Applications: Recommended for all exterior siding (wood, vinyl, aluminum), roofing of all types (asphalt shingles, fiberglass, shingles, cedar tile), gutters, stucco, brick and cement block, masonry, concrete, driveways, walkways and walls, porch, screens, pool areas, engines and equipment, RV's, patio furniture, and boats.
